The Honorable Shirley Chisholm
House of Representatives
Washington, D. C. 20515

Dear Shirley:

During the month of February 1977, the Nation will be observing Black History Week. As part of that observance, the CIA is planning a program which will focus on the historical and contemporary achievements of black American women. It would be an honor to this Agency if you would share our commemoration by serving as our guest speaker. Your remarkable achievements are ideally suited to the theme of our program and your participation with us would be a tribute to all employees of this Agency.

If you accept this invitation you may, of course, speak on any topic you wish including the theme of our program if it would be of value to you. We will ask a member of our Office of Equal Employment Opportunity to be your contact and to provide you with any support you may need.

I am sorry I will be out of my job as DCI in February so I won't be here to introduce you, but you will get a warm reception. I hope you can accept this invitation.

Sincerely,

/s/ George Bush
